1922-1924

June 14th, 1922.

C. R. Bange, Esq.,
East Jewett,
Greene Co., N.Y.

Dear Mr. Bange:-

At the meeting of the Council held a few days ago you were elected an Associate Member of the Society, and I am enclosing a receipt for your dues for the current year.

Our publications which have already been issued, are being sent you under separate cover.

You certainly selected fine weather for your trip to the country. I hope you reached it without any unpleasant incidents, and did not find that the porcupine had eaten up the rear porch. I would make a suggestion that if you find it necessary to get sunburned at all you do it gradually.

Very truly yours,

Secretary.

Dear Mr. Barge:

We are just about to close our books for the Fiscal Year, and from the enclosed bill you will see that your dues for last year as well as for this, have apparently escaped your attention. We hope that it is not your intention to discontinue membership in our Society. If you would let us have a cheque to cover, we should greatly appreciate it.

Very truly yours,

Treasurer
